2013 Silent Auction

Last year's Silent Auction was a huge success, with hundreds of items autographed by your favorite celebrities and sports stars being bid on and sold in support of the Mason P. McKan Benevolence Fund. And this year's Silent Auction will be even bigger! We hope to see you there.

For more information, or if you would like to donate autographed items, please contact Dan Rose or Jon Yeager, our Silent Auction coordinators, at 607-321-3025.
